VICTORIA, SATURDAY, 27<sup>TH</sup> NOVEMBER, 1869.

VOL. XV.

No. 139.

## GOVERNMENT NOTIFICATION.

The following Decision of the Marine Court of Inquiry into the Loss of the British Barque *Glenclune* on the Coast of Formosa, is published for general information.

By Command,

J. GARDINER AUSTIN,  
*Colonial Secretary.*

Colonial Secretary's Office, Hongkong, 27th November, 1869.

## FINDING.

The Court having considered the evidence adduced, conclude:

*First.* That the British Barque *Glenclune*, Official number 17,200 of Glasgow, foundered at sea on the 9th instant, in about Latitude 21.43 North, and Longitude 118.48 East, owing to the severe gales encountered by her between the 25th October and that date.

*Second.* That no blame whatever can be attached to either the Master, Officers or Crew of the *Glenclune*; and the Court therefore returns the Master's Certificate of Competency.

The Court cannot separate without expressing their sense of the readiness of the Master of the North-German Barque *Hongkong*, J. Clüver, to relieve his fellow-seamen in distress. The Court also desire to bring to the notice of the Government the small sum (Thirty-five Dollars) demanded by Lee Chai, Master of the Hongkong Licensed Junk No. 124, for conveying the Officers and Crew from the North-German Barque to Victoria, a distance of 75 miles.

The Court recommend these two cases for the favorable consideration of His Excellency The GOVERNOR with a view to rewards being given to the Masters of the two Vessels rescuing the Crew of the *Glenclune*.

Given under our hands at Hongkong, this 23rd day of November, 1869.

(Signed,)

C. MAY, 1st Police Magistrate.
