

No. 25.

## GOVERNMENT NOTIFICATION.

The scarcity of water in the Pok-foo-lum Reservoir rendering necessary the greatest economy of the present diminished supply, persons having water laid on to their premises are enjoined to see that leaky and defective pipe joints, taps and other fittings are made watertight.

They are also earnestly requested to adopt all precautions against too lavish a use of water obtained from the mains and to prohibit their servants from drawing water from that source for the irrigation of gardens.

By Command,

J. GARDINER AUSTIN,  
Colonial Secretary.

Colonial Secretary's Office, Hongkong, 8th February, 1878.
