

NOTICE.

The Acting Harbour Master, under the provisions of Sections IX and X of Ordinance No. 1 of 1862, (Harbour Regulations), deems it expedient to issue the following directions, which are to remain in force until the 15th October next.

All vessels are to be moored with 45 fathoms on each chain; Top Gallant and Royal Yards are to be down; and Top Gallant Masts are to be housed or struck; the Hawse is to be kept clear; and a spare Anchor is to be ready for letting go.

Unemployed vessels are to anchor in the Northern Anchorage, which has for its Southern Boundary the North extreme of Hongkong shut in with the South extreme of the Kowloon Peninsula bearing E. by S.

Masters of ships discharging or loading cargo, if desirous of lying on the South side of the Harbour at their own risk, may, on application to the undersigned, obtain permission to moor in the Southern Anchorage.

Masters of Steam-ships are, when practicable, to keep their fires laid, and they are advised to get steam up when a typhoon is anticipated.

J. P. McEuen, R.N.,
Acting Harbour Master, &c.
