**CHINESE AND ENGLISH  
 DICTIONARY,**

BY

**THE REV. W. LOBSCHIED.**

THE above work, which has been chiefly compiled for the purpose of aiding students in the study of Chinese literature, comprises many characters not met with in any of the Dictionaries hitherto published.

The selection of between 8,000 and 9,000 characters will make it comparatively easy to find a character without counting the strokes of the compound figures, (minus the radical), and the addition of the Synonyms will prove a great help to such as are anxious to acquaint themselves more minutely with the character of the language.

The work contains 584 Imperial Octavo Pages and is neatly bound in cloth.

REDUCED PRICE—\$4 per Copy.
