

POST OFFICE NOTICE.

Mails for the United Kingdom, &c. by French Packet.

Under instructions from the London Post Office, the Mails for the United Kingdom which have hitherto been forwarded via Marseilles, will henceforth be forwarded via Naples, as it is understood that a gain of twelve hours results from the adoption of this route.

As it would be extremely inconvenient to divide the mail, and no practical advantage would result from doing so, all correspondence intended for the United Kingdom by French Packet will be sent via Naples, even though marked via Marseilles.

An impression appears to prevail that correspondence for the Mediterranean stations, Gibraltar, Malta, Cyprus, the Levant, Turkey, &c., can be forwarded only by British Packet. It can be forwarded also by French Packet, and if so forwarded generally arrives a week earlier than if it had been detained for the British Mail.

ALFRED LISTER,
Postmaster General.
