

No. 628.

*Regulation made the Governor in Council on the 26th day of July, 1906, under the Waterworks Ordinance, 1903, (Ordinance No. 16 of 1903).*

Regulation No. 19 made by the Governor in Council under the Waterworks Ordinance, 1903, (Ordinance No. 16 of 1903) and published in the *Government Gazette* of the 30th September, 1904, is hereby repealed and the following Regulation is substituted therefor:—

19. Whenever the owner or occupier of any tenement wishes that a service should be made, altered, extended, or repaired at his cost by the Water Authority, he must make application by filling in a printed form (form D), obtainable on application at the office of the Water Authority.

As soon as possible after the receipt of this form, duly filled in and signed, the Water Authority will cause a printed form (form H) to be sent showing the amount of deposit to be paid by the owner or occupier to the Colonial Treasurer, before the work can be put in hand.

As soon as the Treasury receipt for such deposit is produced to the Water Authority the latter will cause the premises to be inspected and will arrange with the owner or occupier as to the manner of construction of the proposed service.

When the work is completed the Water Authority shall render an account to the applicant. At the time that such account is paid to the Treasury the deposit will be refunded to the applicant on his signing and returning the Treasury receipt in duplicate.
